LETTER FROM THE PRESIDENT

It's hard to believe that another year has passed and a new year is upon us. As we look back over 2023, there are many things to be thankful for. At the top of the list for me is the fellowship we share together in the Gospel. I pray this report of the many things the Lord has done with CGN over the past year will greatly encourage you. I look forward to serving Jesus together in the days ahead.

Blessings,

LETTER FROM THE EXECUTIVE DIRECTOR

2023 has been a monumental year for CGN. God has brought so much vision to fruition this year. In many ways, it has felt like a new beginning. It is such a blessing to me to see how we are genuinely becoming a family of churches working together to proclaim the Gospel, make disciples, and plant churches. I am incredibly grateful for all the amazing leaders who are investing their lives in leading the initiatives that serve our family of churches. My prayer is that this impact report will be an encouragement to you and will inspire you to pray for and support the work God is doing in and through CGN.

Blessings,

CGN'S MISSION IN ACTION IN 2023

Calvary Global Network is a family of churches working together to proclaim the Gospel, make disciples, and plant churches.

We fulfill our mission primarily through these four CGN Initiatives. **Expositors Collective, Connect, When She Leads, and Cultivate.**

PROCLAIM THE GOSPEL

Expositors Collective: Raising up the next generation of Gospel proclaimers

The Expositors Collective is a CGN initiative that exists to equip, encourage, and mentor the next generation of Christ-centered preachers. We provide resources through our weekly podcast and our two-day intentional training seminars.

- Held in-person gatherings serving 300+ ministry leaders across the United States
- Created weekly podcast episodes, with over 427,000 total downloads

“ —

I can't now imagine how I would have fared trying to [teach the Bible] without the tools, exhortation, and instruction I received from the Expositor's Collective. —Curt Fuller, preparing for the mission field

LOOKING FORWARD :

In 2024, our prayerful vision is to develop and produce a training package that will equip local churches to hold Expositors Collective training for their leaders and staff utilizing high-quality video sessions and interactive workbooks.

MAKE DISCIPLES

Connect: Facilitating fruitful relationships among CGN leaders

We flourish when we are connected to God and one another. Connect is a relational initiative that provides coaching, care, and resources for the flourishing of our pastors, leaders, and churches within Calvary Global Network – working together to proclaim the Gospel, make disciples, and plant churches.

- Renamed CGN Care and Coaching initiative to Connect, with a refined vision and path forward, including partnering with Western Seminary's Center for Pastoral Flourishing
- Launched 4 pilot Connect Cohorts designed to facilitate intentional relationships among pastors and leaders to learn from and care for one another
- Created 30 podcast episodes

“

Deep inside the heart of a pastor lies the brokenness of the past and present. Doing life with other CGN pastors who love Jesus and His bride more than I do inspires me to never give up on the calling the Lord has placed on my life. I am grateful for the honest conversations that the Lord has blessed me with in this cohort. It has encouraged me in ways words could never fully express. –Billy Almaguer, Awaken City Church in St. Augustine, Florida

LOOKING FORWARD:

Our goal for 2024 is to re-launch CGN Local Connectors, host several small CGN Connect gatherings around the globe, and officially roll out Connect Cohorts.

MAKE DISCIPLES

When She Leads: Equipping women in ministry leadership

When She Leads is an active community created to encourage, equip, and connect women at all levels of ministry leadership through conferences, Zoom gatherings, resources, and an experienced care and coaching team.

- Equipped 1300 leaders through conferences in Nevada, Colorado, Ireland, Brazil, and California
- Launched the WSL Care and Coaching Team: Brenda Leavenworth (leadership training), Krista Fox (trauma counseling), Rosemary Cady (passion for the lost), and Kelly Bell (community connector)
- Facilitated monthly Zoom meetings for pastors' wives and ministry leaders
- Experienced over 100,000 downloads of the When She Leads podcast in 2023
- Grew to 18 coaches

“

Last night during worship, I asked the Lord: I need to know that I'm going to make it through this; I'm feeling overwhelmed. I got the picture of Him asking me to hold his hand. And I got the best sleep I've had in months that night. I feel so blessed to be here. Thank you for having this conference. –Anonymous

LOOKING FORWARD:

In 2024, our team will conduct gatherings in Spain and Portugal and a West Coast gathering featuring Rebecca McLaughlin. Also in 2024, our team will launch a leadership cohort program.

PLANT CHURCHES

Cultivate: Planting Gospel-Centered Churches

Our mission is to help plant Gospel-centered churches as part of the expanding Calvary Global Network (CGN) family. We empower and support local churches to assess, train, and support new church planters and Gospel-centered communities. We believe that the local church is the garden in which the church planters of tomorrow are cultivated.

- Grew to 76 coaches and 102 church planters
- Increased to 63 the current number of pledges to plant at least one church in ten years
- Held gatherings in Colorado; Twin Peaks, Temecula, Costa Mesa, and Monterey, California; and the Philippines
- Launched the Cultivate Church Planting podcast in January, with 20+ episodes, 55,519 all-time plays, 2,082 plays per episode, 24,100 YouTube lifetime views, and 247.1 hours of YouTube lifetime watch times

“

Cultivate has equipped me for the calling that the Lord has placed on my life of planting and pastoring a church.

-Joe Kitto, Calvary Chapel Carbon Valley in Frederick, Colorado

LOOKING FORWARD:

In 2024, our team endeavors to prioritize pledges, increase leadership involvement, and maintain steady cultivated growth.

A Tribute To Pastor Chuck, October 2023

Ten years ago, on October 3, 2013, Pastor Chuck Smith finished his earthly race and entered into glory with Jesus. Through the life of this ordinary man, our extraordinary God did a supernatural work of renewal that genuinely changed the world.

Throughout October 2023 on CalvaryChapel.com and across our social media feeds, we featured articles and videos from a variety of individuals whom God has touched and influenced through the life and ministry of Pastor Chuck Smith. Our prayer was that these personal stories, testimonies, and lessons learned would be an encouragement and a blessing to our readers, and that we would all be reminded that God is still at work in this world and that he is not done with Calvary Chapel.

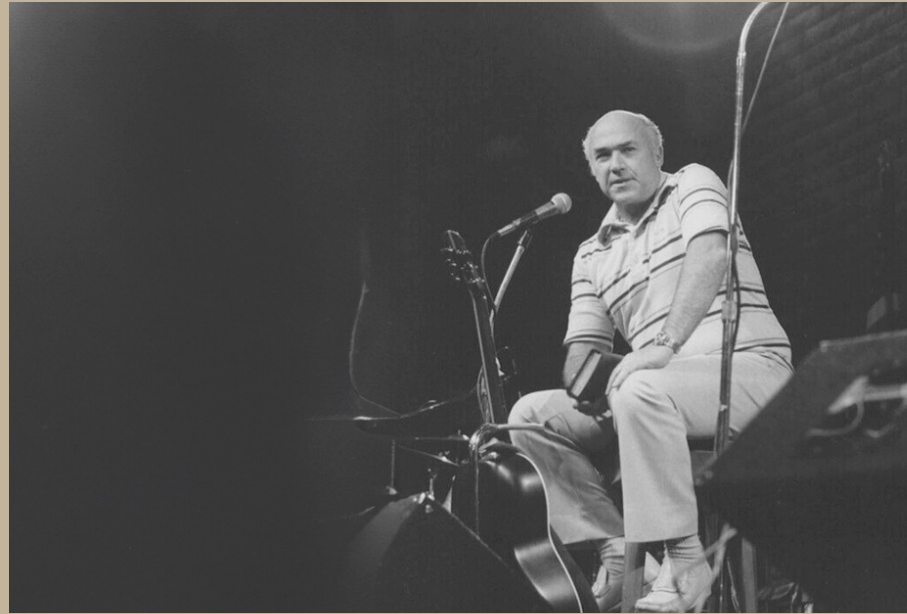

During that one month, we shared 31 articles from various contributors and had 125,994 article views.
