A Letter from Brian Brodersen

Founder & President

As the new year approaches and I reflect on the ministry of CGN over this past year, I am thankful for the many opportunities the Lord has afforded us to serve him by serving his church. From this year's annual ministry conference where we considered the ministry according to Jesus as our model for moving forward in advancing God's kingdom around the world, to the recent Expositors Collective training weekend in St. Petersburg, Florida where we had a group of about 100 men and women spend a day and a half developing their skills as teachers and preachers of God's Word, we continue to see the Lord at work in so many exciting ways. A big moment for us this year was publishing a small book entitled Calvary Chapel: Its Essence and Identity, in which a few of us from our CGN Executive Team put our heads together to provide a fresh reminder for those interested in who we are as Calvary Chapel. Hopefully, you have got your copy. There is so much more to tell about what has happened this past year and much of that is here for you in this report. I hope you enjoy it and are inspired as you hear all that God is doing through our partnership together with you through the Calvary Global Network.

Blessings,
Brian Brodersen

President, Calvary Global Network

Our Mission

At Calvary Chapel Global Network (CGN), we are a family of nearly 1,000 like-minded evangelical churches across six continents, united to **proclaim the gospel, make disciples, and plant churches** worldwide. While the majority are Calvary Chapels, we also welcome other like-minded evangelicals who share in Jesus' mission to redeem the world.

How We Accomplish This Mission

1

Cultivate Church Planting equips and supports church planters through coaching, online cohorts, and regional gatherings—helping leaders discern their call, prepare for planting, and stay healthy in ministry.

2

When She Leads equips and connects women in ministry through conferences, a podcast, and online cohorts—providing encouragement, practical training, and community for women serving in various leadership roles.

3

Expositors Collective exists to train and encourage Bible preachers with a Christ-centered approach—helping both vocational ministers and lay volunteers grow in faithful, effective teaching of God's Word.

4

Connect: Gospel-Centered Community & Care team helps pastors and leaders find encouragement, care, and connection within our growing global family of churches. Through regional gatherings, prayer, and relationship, we are building emotionally and spiritually healthy leaders.

GLOBAL IMPACT

"In June 2024, When She Leads came to put on a conference for the ladies of my church in Porto, Portugal. The year before, we had been sensing the Lord lead us to plan our first women's conference. Unbeknownst to me at the time, He was preparing to connect Brenda & the WSL team and me through extraordinary circumstances. Seeing God's hand in this stirred excitement and anticipation within the ladies of my church. WSL has been a great inspiration to me and the women in my ministry. Not only were we blessed by heartfelt and encouraging teaching and a well planned and organized structure, we learned much about how to plan and conduct a conference of our own ... which we did in June 2025! I am very thankful for the ministry of WSL!"

— Diana Harding

"When I first heard about the When She Leads conferences, I always longed to go. Deep down, I felt it was something I really needed. Finally, the day came when I was able to attend When She Leads in London. At the conference, I went up to Brenda to introduce myself and to share my desire to see When She Leads in Germany. That conversation led to a FaceTime meeting—a two-hour talk that became a turning point for me. **For the first time in all my years of full-time ministry, I felt truly seen.**

"I've been serving in ministry for over 30 years, and this conference, along with the incredible women behind When She Leads, **is offering something we have been missing for far too long: equipping women in ministry and pouring into their lives.** For me personally, it was life-giving. My heart, my soul, and my spirit are refreshed—and I am deeply thankful."

— Katja Hafar, Germany

LOOKING AHEAD: 2026

In 2026, the ministry will relaunch as **When She Serves**, expanding gatherings to Florida, Washington, and New Zealand (2027)—continuing to equip women to serve their churches and communities with confidence.

CGN Relief

Aid Initiative

This past year, we partnered with Pastor Steve Snook and Metro Church in the Los Angeles area to bring help and hope to those affected by the Palisades Fire. Steve and his wife have faithfully served their community for many years, and together we have sought to meet both physical and spiritual needs in Jesus' name. Through this partnership, we were able to provide gift cards and direct relief to those impacted by the fires.

You can watch a message from Pastor Steve [here](#).

LOOKING AHEAD: 2026

In 2026, we look forward to partnering more closely with Scott from Blue Tape Ministry (BTM) and a new Disaster Relief Initiative. We had the opportunity to connect with BTM during the CGN International Conference this past June, where their team generously served guests their incredible BBQ.

Blue Tape Ministry is a nonprofit, faith-based ministry dedicated to sharing the love of Christ through food, prayer, and service—feeding those who hunger both physically and spiritually.

Education Partnerships | Empowering Global Ministry

This year marks a major transition for Calvary Chapel Bible College (CCBC). After fifty years as a ministry of Calvary Chapel Costa Mesa, we have become an independent college and relocated our main campus to the Gulf Coast of Florida in partnership with WestChurch. From this new home, we continue our mission to prepare students for Spirit-filled life and ministry through the study of Scripture in Christ-centered community. This new independence is not about separation but deeper connection, positioning CCBC to serve the broader Calvary Chapel family for the next fifty years with renewed focus, flexibility, and collaboration. Our vision is to be the premier partner for Calvary Chapels and like-minded churches in raising up the next generation of disciples and leaders, serving as a unifying hub for relationships, expanding global education through partnerships, and preserving the enduring legacy of Calvary Chapel through scholarship.

Financial Stewardship 2025

Calvary Global Network is grateful for all the work that has been accomplished since becoming our own independent 501(c)(3). This independence has allowed us to expand our global reach and strengthen our identity as a church planting, equipping, and leadership strengthening ministry of the Calvary Global Network.

We are deeply thankful for our dedicated staff and volunteers who have helped shape CGN into what it is today. As we enter our second year of financially independent operations, our financial picture has become clearer as well as our need for your partnership.

Our vision remains to steward every resource wisely and faithfully for the glory of God and the furtherance of the gospel.

We cannot do this alone. We count on your partnership both financially and prayerfully and thank you in advance for your generous giving.
