Proclaim the Gospel, Plant Churches & Make Disciples

2021 CGN Annual Finance Report

Brian Brodersen

Founder & President

From the first page of the Bible to the last page, we see that God is a God of abundance and generosity. Psalm 104:10-18 describes God's abundant provision for his people. When our minds focus on Him and His generous provision, our hearts change, our hands open, and we give. Every act of generosity you offer to others points them, ultimately, to God's generosity.

Thank you for opening your hearts and hands in 2021. We have been amazed by the work our generous God has done. We have provided this year's annual report for you to see what God has done in the past year, and for you to pray about partnering with us financially. Imagine what could be accomplished if all

CGN churches were working together in informing, training, connecting, and church planting. That is our goal for 2022 and beyond.

Blessings,

Brian Brodersen and The Calvary Global Network Team

Thank you to the 3 different CGN churches, who gave over 57% of our support, which is the largest form of support that we receive, enabling CGN/CalvaryChapel.com to continue the work to proclaim the Gospel, make disciples, and plant churches.

With our continued efforts to become self-sustainable, the CGN/CalvaryChapel.com team has been diligently working on ways of developing income streams that will include more Calvary Chapel churches subsidizing the ministry of CGN.

Looking back through the years, we see God's faithfulness. So much of what we have prayed and planned for, God has brought to fruition through your partnership. Your donations are the lifeline for this ministry!

Conference Testimonials

“The conference definitely encouraged me, and I thoroughly enjoyed every moment. The session on “being the church in a hostile world” was very helpful, along with the session led by Gavin Ortlund from Mark 9, was great. Ed Stetzer was also very informative and practical in what he shared. I really enjoyed hearing and meeting John Jenkins. Thank you to Matt Redman for his ministry at the conference. I was so blessed by it. The size of the conference was just right, and I didn’t feel lost in a crowd. The teaching is always the most beneficial for me. The leadership team is doing a great job.”

~Rick Johnson, Calvary Braid Valley, Ireland

“I was pleasantly surprised with how well the conference was put together. Everything from the logistics to the presentation was great. The hosts, Kellen and Jordan, had great stage presence and helped lead us into each session. I enjoyed Justin Thomas the most, as his message on “Who We Are in a Hostile Culture” has been the most pressing issue on my heart this year. Char was also very relevant to what we, as a church, have been going through politically.” ~Russell Holliday, Reliance Church, Temecula, CA

Through YOUR giving, an opportunity opened up for Marlon Brown and his family to apply for permanent residency in Canada. His wife and kids have been missionaries in Vancouver for over 7 years. They are looking to plant churches in different areas of British Columbia in the near future.

We work collaboratively for Gospel-centered renewal, providing leaders with relationship and resourcing, as we follow the way of Jesus. We're committed to being a part of something bigger than just one church. We're a family, consisting of churches and ministries across national and denominational borders. Together, we're committed to the *renewal of all things* through the Gospel of Jesus Christ. We believe the best way to do this is through providing *relationships* that will help disciples of Christ serve together and *resources* that will help disciples serve well.

With your help in 2020 & 2021, donations to the CGN Church Relief Fund totaled \$70,082 in support for churches that have suffered a financial strain caused by COVID-19. CGN gave back \$64,196 to 21 churches in 2020 & 2021.

Leading from the example of the Macedonian churches in 2 Corinthians, we desire CGN to be a network of churches supporting each other in the calling of the Great Commission. **You can read numerous testimonies from churches of how the Lord used these funds, adding to the Kingdom and glorifying God on our Covid Relief Page.**

Churches Planted in India!

“We met ‘him’ seven years ago while teaching at a pastors conference in the heart of the 10/40 window of Southeast Asia. He was an amazing translator and seemed to have a vast knowledge of the Word of God. We learned that he had been seminary trained, planted a church, and had been teaching the Bible verse by verse, and there was an immediate connection. My friend and I laughed when we both realized how much he reminded us of a young pastor Chuck. At the end of the conference, we sat in the back of a taxi praying, when we felt the Holy Spirit leading us to support him.” [Read More ...](#)

CGN is about to launch a new initiative called, “**Cultivate.**” Cultivate is designed to help assess, train, and send out young men to plant churches throughout the world. [Learn More ...](#)

Network Membership

In 2021, we created a network membership process that is primarily relational, while still being thorough and well documented. With that in mind, we have initiated a process in which the pastor of a prospective CGN/CC church will enter into a series of meetings with the CGN Local Connectors in their area, with the purpose of building genuine relationships, while exploring the theological and philosophical positions of the pastor and the church. The Local Connectors then make a unified decision on whether the prospective church is a good fit.

Our desire is that even after acceptance into CGN membership, those Local Connectors would continue as a network of vital resources and relationships for new church plants and existing churches within Calvary Global Network.

This will make the process of joining our network life-giving, rather than burdensome, producing genuine connections between local CGN churches that lead to encouragement, accountability, and shared kingdom fruit for many years to come.

In 2021, CGN continued to work on growing the GoodLion Podcast Network as a platform for pastors, creatives, and ministry leaders.

Seven new shows were added to the network. We generated a great deal of content and opened up an online theology class for young adults, including some graduates of our 2020 summer internship program!

Looking Ahead at 2022...

Developing Strategies

Prayer & Strategic Vision

The strategic vision of Calvary Global Network is to partner with the local church to assess, train, commission, and fund healthy missional leaders to cultivate new communities of Jesus among all peoples, with an emphasis on the least reached.

The biblical and theological foundations of our vision are rooted in obedience to Jesus and imitation of the apostles. Our vision is a, “prayer,” vision because of the command of Jesus: “The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field” (Lk. 10:2).

Our vision is a “strategic,” vision because both Jesus and His apostles practiced intentional leadership development and mobilization as the driving force behind the furtherance of the kingdom of God in the world through the propagation of the gospel (Matt. 4:19; 2 Tim. 2:2).

Strategies in Motion:

To carry out our strategic vision, we are launching programs and strategic partnerships focused on the three areas of Great Commission work:

- Proclaim the Gospel – Strategic Partner: Western Seminary (More launching 2022)
- Make Disciples – Program: EQUIP: Training Christians into the Mission of God (Launching 2022)
- Plant Churches – Program: Cultivate Church Planter Assessment & Training Program (Launching 2022)

2022 Conferences in the Making

- Calvary Chapel/CGN International Conference June 27-30, 2022
- CGN Local “Connect” Gatherings Around the World
